Health Tradition Health Plan has made every effort to ensure that this Provider Directory was accurate when issued. However, because healthcare facilities constantly add to and adjust their lists of providers, we cannot guarantee that a particular provider listed in this Directory will be participating at the time you seek care. In addition, some of the listed providers may occasionally close their practices to new patients. If you have questions regarding the availability of a particular provider, please contact Customer Service at the number on the back of your membership card..
